As the class of "58," we will be the first graduating class to go through Orleans High School for four years. From the roots of Orleans American Elementary School in the eighth grade, the beginning of *OHS*, the freshmen class of "55," to the former years and higher grades of junior and senior, our members have come and gone, but they are in our thoughts. Although *OHS* has changed much since it started and the senior class has had many changes also, the unity of spirit and loyalty has remained the same. We are proud of our accomplishments but humble in our mistakes, and find reason for both pride and humbleness in our part of student life. We have done our part in all activities and organizations: the Student Council, both officers and members; the newspaper; Hi-Y and Tri-Hi-Y; all athletic activities — football, basketball, and track; cheerleaders and twirlers. Name it and the senior class is represented in it. This year, our goal is the class trip. For this purpose we have had cake sales by the dozen, a raffle, dances, slave sales, school directory sale, and many other money raising activities. The class trip, the many student activities and organizations, the athletic teams, cheerleading, band, choir, and all the rest are merely part of looking back over high school; there is also the thought that we have not only helped ourselves but we have also contributed to our school.

The BOURGEOISIE shall,

The *JUNIOR CLASS* of Orleans American High School met for the first time on September fourth. At the beginning of school, the members, old and new, soon became good friends as well as classmates. Class officers were elected and plans for the year were discussed. Those elected were Mike Church, president; Joe Glynn, vice-president; Sally Dukes, secretary; and Bonnie Bixby, treasurer. Our main objective for the year is the *JUNIOR-SENIOR PROM*, which we hope to make the best ever. Toward this end we have bi-weekly cake sales, and sponsor various other activities. These include the *SADIE HAWKINS DAY DANCE*, the annual *MALE SLAVE SALE*, the *VALENTINE DAY DANCE*, a concession stand at home football games, and many other money raising activities. We are not concerned only with ourselves, however. We are active in school affairs, athletic activities, and all other student activities. The football team, the basketball team, cheerleaders, student government; the *JUNIOR CLASS* has been active with them all. Many of us have been together since our freshman year, many have never met before, but we all have come to strive together for learning certainly, and certainly for *OHS*. Next year, as seniors, we graduate. Then we must look ahead; we must look ahead now too, but we can also look ahead to another year of service to *OHS* as well as graduation, and the future. We can improve our mistakes and better our successes; we can look forward to new things to do and we can help those who take our place and who will be doing things new to them; and most of all we can strive to make a success of what we do, whatever it may be.

Mr. Dolecki always wants to know "why?" in geometry class.

On September 4, 1957, the members of the sophomore class, old and new, had a look at *OHS* and at each other. To the former students the school certainly seemed improved from last year. The sophomore class has been represented in several school activities. Some of the boys played football, with many on the J. V. team and some on the Varsity teams. The girls were also represented, by two varsity cheerleaders, two J. V. cheerleaders and three twirlers. At our first class meeting we elected our new class officers. John Taylor was elected to fill the role as our president. Judy Owens is vice-president; Judy Holdsworth is our class secretary. Richard Uno is the holder of our funds. The sophomore class feels that it made a wise choice of officers because all elected have served us well. In our next two years we hope that we will be increasingly better able to serve our school. We are looking forward to the responsibility that lies ahead of us.

The 1957-58 freshmen class consists of approximately sixty-six students. The reason for saying "approximately" is that our number is constantly changing throughout the school year. This year's class is the largest that Orleans High School has ever had and the large number of freshmen accounts for the fact that the whole student body is larger than ever before. Many of the freshmen class are not new to Orleans High School this year because some were here last year as eighth graders; however there is something about high school, not just with it but in the high school proper, that is all together different from anything before. Freshman initiation, the indignities of being "fish," obeying seniors goes along with being freshmen, just the same as being included on the Student Council, on the football and basketball teams, being cheerleaders, and just being Trojans and members of OHS.

Our officers — David Bell, president; Gayle Dodd, vice-president; Clara Jones, secretary; and Felix McDavid, treasurer — were elected at the first of this year and have ably represented the wishes of the class. On December 21 our first venture of the year was held, the Freshman Class Christmas Dance. It was held in the auditorium, and was chaperoned by our class sponsors, Mr. Dolecki, and Miss Mc Nulty, both of whom were a great help to us in their patience and understanding. The class committee worked very well and the Christmas Dance was a great success. We hope to have many more successful ventures like it in the future. As we progress throughout the year, we look back and are proud of our accomplishments and proud of our aspirations, proud of our part in OHS and proud of the responsibilities we share with the other classes.

he may someday serve in honour our hallowed kingdom.

ACTIVITIES

On September 26, 1957, the first meeting of the 1958 STUDENT COUNCIL was held with newly elected president, Eric Logsdon, presiding. Since then, it has met each Wednesday for the purposes of improving the school, providing varied and entertaining activities for the students, and contributing to school morale. The Activity Committee, lead by Joe Glynn, approves and passes all school activities. Dianna Vaughan and her Calendar Committee keep the school informed about events and activities. The Financial Committee, under the leadership of Don Norton, was responsible for the printing and sale of the Booster Cards to raise money for the athletic department. It is the desire of each member of the STUDENT COUNCIL to uphold the high quality and character that it has had in previous years.

Yearbook

The hustle and bustle which began during the first week of school has materialized into the Orleans section of the *ERINNERUNGEN*. If in future years this section lives up to its purpose — memories of the year's laughter, fun, failures, and accomplishments — then the yearbook staff will find their work not in vain, but a part, too, of that memory.

THE TROJAN

Front row: Gudrun Clem, Editor; Sally Dukes, Assistant Editor
 Back row: Charles Kinney, Copy Editor; Skip Rippey, Circulation Manager; Sandra McGarvey, Art Editor; Michael Markowitz, Sports Editor

Representing Orleans Blue and White on the journalistic side is *THE TROJAN*, a bi-monthly publication produced by Editor Gudrun Clem and her student staff.

With the help of Assistant Editor Sally Dukes, Sports Editor Michael Markowitz, and Art Editor Sandra McGarvey, *THE TROJAN* is distributed every two weeks with the latest news, ranging from the *TROJANS'* doings in the sports field to its beloved gossip column, "Snoopy".

Charles Kinney does the mimeographing and anyone recruited during first period study hall does the stapling. Skip Rippey then supervises the circulation at OHS and sees that other USAREUR schools get copies of *THE TROJAN*.

Backing the executive staff and eight reporters is *THE TROJANS'* sponsor, Mrs. Clara W. Ury, who is holding this position for the third year.

Front row: Gudrun Clem, Sally Dukes

Hi-Y Club

The ORLEANS AMERICAN HI-Y CLUB was started three years ago. It is the only HI-Y club outside the United States at this time. It has been a consistently active organization since its beginning, and it has become a permanent fixture here at Orleans. The purpose of the club is to encourage and develop Christian principles in all ways of life. The HI-Y is a high school affiliate of the YMCA movement and is closely related to its purposes. The HI-Y is not all serious purpose, however. It sponsors many activities and services — an annual trip to Paris for a day's sightseeing, dinner, and a show; the Back-to-School formal, and others. The service projects of the HI-Y include ushering at functions where our presence is requested, the faculty tea, and service to the school such as co-sponsoring career day, and the school store. The HI-Y Christmas Tree Sale and other things such as a Penny Drive maintain our treasury to sponsor the activities which we support. The Penny Drive also serves to purchase needed pennies back into circulation. Twice a year there is an induction of new members, which includes a banquet and a ceremony in the chapel afterwards. At this banquet, which the member and his parents attend, the origin and purpose of the HI-Y CLUB is stressed and in the induction ceremony the member takes an oath to stand by the ideals of HI-Y as best he can. After the last induction of the year, new officers and sponsor are chosen for the next year to insure the continuation of the HI-Y the next year.

Scooter Club

The SCOOTER CLUB OF ORLEANS HIGH was formed to promote organized safety rules and activities, Emblems and jackets, trips and picnics, lectures on scooters, all of these form part of our purpose. During the winter many scooter activities become difficult; however we have made one trip to Blois (a cold one) and hope to have more when spring comes. At our first meeting we elected Gary Knott as President and Buzz Meiser as Secretary. We selected an executive committee of three — Richard McDonald, Ed Corcoran, and Mike Church. All students having motor scooters, motorcycles, or motor bikes over seventy cc. are eligible to join. Since so many scooters have appeared here in Orleans lately, it looks as if they will be with us for a long time. We hope the SCOOTER CLUB will help us to have a good time without endangering others. Also, since every vehicle can always use some work done on it, we hope to make plans whereby we can all help improve each other's scooter. The SCOOTER CLUB is new this year, but we hope it will stay here even after we are gone.

SH21

The **FUTURE HOMEMAKERS OF AMERICA** has been one of the organizations here at Orleans High School for several years now, and is still as active as ever. The sponsor this year is Mrs. Hagar, the home economics teacher. Included in the plans for this year are planned experiences in homemaking and home economics. A fashion show to be given in the spring is being planned and will feature clothes that were made by members of the club and the home economics classes. Also on the agenda for the year is a visit to OHS by selected members of a French school; we hope to aid Franco-American relationship and to profit mutually from an exchange of ideas on homemaking and French and American relations. During the year we will keep busy learning about various phases of home economics such as dietetics, sewing, wise marketing, and customs of the foreign home.

SPORTS

The lettermen's club, named the VARSITY-O, was founded this year with the aim of service to the school. The VARSITY-O is new to OHS this year, however, we expect to have an active year and we hope to become an institution in this school. At our first meeting we elected as officers Eric Logsdon, President; Buzz Meiser, secretary; and Gary Knott, treasurer. We also sponsored a football banquet at which football letters were awarded. We expect to hold an induction for new members soon. Another of the things we hope to do this year is to standardize letter jackets and letter sweaters, and to set up regulations for the wearing of letters.

Front row: Norman Friedman, Sponsor; Gary Knott, Treasurer; Eric Logsdon, President; Buzz Meiser, Secretary
Second row: Joe Glynn, Willi Hausler, Harvie Butler, Linnie Cade, John Trubacek, Mark Cannon, Kelly McCartney, Jim Baker

Fifth row: Nancy Phipps, Cindy Conklin, Linda Bowers, Nina West, Joan Dein, Ame Good, Rita Hash, Carmelita San Luis, Bonnie Bixby, Judy Bouque, Judy Deegan, Patsy Anderson, Michele Mayotte, Mary Lou Elyo, Phyllis Smith, Bertine Smith, Emma Brown
Back row: Faye Toliver, Sarah King, Gay Douglas, JoAnn LaCrosse

The GIRLS' ATHLETIC ASSOCIATION has greatly enlarged its membership this year, and also its scope of activities. We elected our officers early in October. They are Linda Gilbert, President; Dorothea League, Vice-president; Gail Dodd, Secretary-treasurer.

We have an organized basketball team which practices on Sunday in the gym. We have scheduled games with other schools and the WAC teams. In the spring we plan to participate in such sports as volley-ball, baseball, archery, tennis, and swimming.

In January we went to Paris for a "play-day" where we spent the day swimming indoors and ice skating. All forty-eight girls who went on the trip enjoyed it very much. Our future plans include many more similiar outings.

At our meetings, which are usually held once a week, we plan our activities and take care of business. Miss McNulty, our physical education director, is our sponsor.

We are enjoying this year of GAA and we feel confident that our enjoyment will continue throughout this school year.

Sootball

This year at OHS the chances that we would break our luck and have a winning team looked very good, but inexperience and injury took its toll and the TROJANS were not able to come up to their expectations of victory. Our first game with Rochefort started out with a touchdown for Orleans but the ROCKETTS came back to win the game as we started out the season. The team never gave up throughout the season, but it turned out to be a discouraging one, and all hopes were in vain as the season rolled on. The scores don't tell the whole story, however, and we figure that we have plenty to be proud of in our coach and in our team. Many of the team were seniors this year; however the others will nearly all be returning and next year, with experience and time, we should redeem ourselves with ease.

A typical half time scene as Coach Friedman explains the mistake that the TROJANS made in the first half. His advice for the second half — "tear'em up". Although they did make mistakes during the season, they learned by every one of them — ones they won't make next year.

We dedicate our section of the annual to the eager, untiring, and sometimes brash American tourist who descends each summer upon "The City of Light".

With his camera slung around his neck, he explores Paris seeking culture. He pants his way happily to the top of the Eiffel Tower; buys an "original" Renoir at the Flea Market. He is the delight and despair of the *Restaurantener*. His dollars contribute to the life blood of Paris. Perhaps the manner of transfusion is repulsive, but the patient shows "remarkable" recovery. He is our most powerful ambassador of goodwill. Long may he live!
